To

Magistrate Steven M. Gold

Judge Ann M. Donnelly

I am requesting ProSe on my
claim # 1:15 cv-05724.

The reason I'm requesting this
your honors because I've been
getting the run around and lied to
by my attorneys, my previous civil
attorney stole \$30,000.

I've been told that my discovery
was not needed because the officer
that shot me was already found
guilty at CCRB. My civil claim
is excessive force not false arrest

I asked my attorney not to consent
to any arguments. I was offered
funds by my attorney already

In 2014 I was shot and beaten
up by NYPD. Spent 3 years in jail
on a forged indictment. I went
thru 8 attorneys, all I want is
justice. I have notified my attorneys
on this matter
